

# Capricorn New Moon Tarot Spread

One

## Intention

What intention should I focus on this Lunar Cycle?

You can pull an exploratory card or choose a significator card for an intention already set.

Two

## Effort

Where do I need to put in more effort to realize my intention?

Three

## Strength

What strength can I draw on to help me to realise my intention?

Four

## Take Control

Where do I need more control in order to realize my intention?

Five

## Relinquish Control

Where could control stand in the way of my intention, what do I need to let go of?
